2 INTRODUCTION

Money Shield is a Client Money Protection (CMP) Scheme which provides reimbursement to landlords and tenants should a Money Shield agent misappropriate their rent, deposit or other Client funds. This document outlines the Rules which apply to any Member Firm that holds or handles Client Money or that has a contract with a Client and then outsources the Client Accounting to another organisation/legal entity.

These Rules define the minimum level of accounting control required by a Member Firm where Client Money is transacted by the business of that Member Firm.

Money Shield reserves the right, at its sole discretion, to amend these Rules from time to time. Such changes will be notified to Member Firms as soon as administratively practicable.

3 SCHEME LIMITS AND COVER

- **Direct Loss** - The Scheme provides for reimbursement only in respect of direct loss of client money and covers no indirect or consequential loss.
- **Limit per Claim:** £50,000 and maximum of £500,000 per company
- **Annual aggregate Scheme Limit:** £5,000,000
- **Risks Excluded:** Exclusions from cover are as follows:
 - a) Monies misappropriated after a scheme member's termination of membership.
 - b) Monies misappropriated by an employee of a firm which would be covered by the firm's PI policy
 - c) Where the agent is still trading and has refused to hand over funds to a tenant or landlord for whatever reason and should pursue recovery through the small claims court.
 - d) Any loss arising from war, (whether foreign or civil, terrorism, rebellion, revolution, military uprising or any form of confiscation by the state.
 - e) Loss of client monies relating to the property disciplines defined as 'Block Management' or 'Holiday Lets'.

Clients must notify Money Shield of a non-payment by a Member Firm within 12 months from the date the payment was due. Failure to do so could result in a subsequent claim to the scheme being rejected.

4 GENERAL OBLIGATIONS

4.1 Principal, Partner or Director responsibilities

- A Principal, Partner or Director must join the firm to the scheme;
- Details of all Member Firm's branches must be provided;
- Member Firms have an obligation to provide Money Shield with up-to-date information. This includes any change in circumstances that affect the company, such as changes to the main Principal, Partner or Director who joins the Member Firm to the scheme or any changes to business addresses, branch openings and closures and changes in business structure;
- Member Firms are required to join an approved independent redress scheme; with the exception of Member Firms operating a letting agency based solely in Scotland, as landlords and tenants of such companies have access to redress through the First-Tier Tribunal;
- Member Firms are required to join an approved tenancy deposit scheme and protect deposits in accordance with that scheme's rules;

- All Member Firm Principal, Partners or Directors share the responsibility of maintaining a proper bookkeeping system. Any misappropriation or error by one Principal, Partner, Director or a member of staff is the responsibility of every Principal, Partner or Director. It is therefore incumbent upon all Principals, Partners and Directors to satisfy themselves that any breach of the Rules is rectified immediately;
- It is the duty and responsibility of Member Firms that these Rules are readily available to and understood by all Principals, Partners and Directors of a Member Firm and, most essentially, by any staff responsible for operating the accounting process and procedures of that Member Firm.
- A copy of these Rules must be provided to the reporting Accountant prior to beginning an examination unless the Member Firm is using a Healthcheck in accordance with Rule 9.
- Member Firms must publish their handling client money handling procedures on their company website and, upon request, make hard copies available, free of charge, to all customers. To meet this obligation the following link to the Money Shield Scheme Rules (<https://money-shield.co.uk/page/schemerules/>) should be added to the Member Firms website. The annual Accountant's Report will require confirmation that this Rule has been met.

4.2 Breaching the Rules

- Any breaches of, or a failure to comply with, the general or specific requirements of these Rules will, at Money Shield's sole discretion, result in the immediate termination of membership.

5 CLIENT MONEY

5.1 Client Money shall include

- Client Money is any money which legally belongs to a client and is protected by a member under the scheme;
- Any money received or held by a Member Firm or its Client Accounting Service Provider (CASP) to which they are not beneficially entitled and over which there is exclusive control;
- Money held in respect of properties owned jointly by a Principal, or one or more Partners, or Directors, together with a person who is not a co-Principal, co-Partner or Director of the Member Firm;
- Payments or lodgements in respect of fees and/or disbursements received before these have been earned or incurred by the Member Firm or passed on to a third party;

5.2 Client Money does not include

- Money (other than tenants' deposits) received in respect of properties wholly owned by a Principal, or by one or more Partners or Directors of the Member Firm;
- Money held in an account from which a particular Client can separately make withdrawals and where the Member Firm does not have exclusive control. In the rare circumstances where such accounts are operated, the Member Firm must promptly confirm to the Client in writing (and retain a copy) that:
 - The account is not a Client Account; and
 - Such money is not covered by Money Shield.
- Tenants' deposits passed to a Tenancy Deposit protection scheme operating a custodial option under the provisions of the Housing Act 2004 in England and Wales, the Housing (Scotland) Act 2006 and the Tenancy Deposit Schemes Regulations (Northern Ireland) 2012.

5.3 Interest on Client Money

- A Member Firm may enter into an arrangement, which must be in writing (for example via terms of business, tenancy agreement, letter of engagement, pre-tenancy application documents or similar), with a Client (landlord or tenant) that allows the Member Firm to retain

interest earned on money held on a Client's behalf. Where no such arrangement exists, any

interest earned belongs to the relevant Client;

- Where interest is credited to Client Account(s) of a Member Firm, the Client Account(s) should be organised in such a way that the Member Firm is able to account to each individual Client for the amount of interest earned or due to them;
- A Member Firm holding Client Money (in this context, tenancy deposits) as stakeholder during a tenancy, is entitled to retain any interest that may accrue to such money, providing this entitlement is made known to the relevant Client(s), in writing, from commencement.

5.4 Access to, or availability of, Client Money

A Member Firm must ensure that, at all times, all Client Money is held in Client Accounts and is available on demand to Clients without undue delay or penalty. (For the avoidance of doubt, Client Money must not be placed or held in offshore accounts or fixed/variable rate term bonds or similar funds or arrangements, unless the bank or building society falls within the definitions described in the glossary, 17, funds are available on demand and any penalty for withdrawal is paid by the member's firm.)

6 CLIENT ACCOUNT

6.1 Client Accounts must be properly designated and easily identifiable

The individual beneficial owners of any money contained therein should be attributable, without difficulty, for the following main reasons:

- To prevent a Bank or Building Society offsetting a credit balance in one account against a debit or charge incurred by another;
- To enable a receiver or liquidator or other investigator to identify money that does not belong to the Member Firm;
- To allow such accounts to easily be monitored and reconciled both internally and externally to demonstrate the financial integrity of the Member Firm and to ensure the smooth running of its accounting practices.

6.2 Title and conditions of a Client Account

- All Member Firms who receive, or may receive, deposits in transactions to which the Estate Agents Act 1979 applies shall open and operate a distinct Client Account for that purpose in accordance with the requirements of that Act and with the Regulations made under it;
- A Member Firm that receives or holds Client Money must maintain at least one Client Account for this purpose;
- Any such account(s) must include both the word "Client" and the legal name of the Member Firm or CASP in the title;
- The Member Firm must hold on file in its Records, written confirmation from any Bank or Building Society where a Client Account is held, that the following conditions apply to any such account(s):
 - All money held in the account is Client Money; and
 - The Bank or Building Society is not entitled to combine the account with any other account or to exercise any right of set-off or counter claim against money in that account in respect of any sum owed to it on any other accounts of the Member Firm.

6.3 Payments out of a Client Account

A Member Firm should withdraw, transfer or make a Payment from a Client Account only in the following circumstances:

- Money paid in to open or maintain the account where it is no longer required;
- Money paid into the account, which does not belong to the Client, for Payment to the person

lawfully entitled to it;

- Money payable to a Client, or, to an appropriate person suitably authorised (in writing) to receive such Payments on that Client's behalf;
- Money being paid directly into another Client Account;
- Reimbursement of money to the Member Firm for money expended by the Member Firm on behalf of the Client;
- Money lawfully and contractually due, in respect of a Member Firm's fees and charges;
- Legitimate disbursements, e.g., amounts subject to invoices, costs or demands incurred or received on behalf of the Client;
- Within three working days of becoming aware of a relevant contravention, money paid into the account in contravention of these Rules.

Payments must be in accordance with lawful and contractual written arrangements; or the Client, or an authorised representative, has been notified or invoiced in writing by the Member Firm of the amount and purpose for which the money is being withdrawn and no objection has been raised within a reasonable timescale. No Payment shall be made for or on behalf of an individual Client that exceeds the total amount held on behalf of that particular Client.

6.4 Methods of Payment from a Client Account

Payment from a Client Account may be made by:

- A cheque;
- An electronic transfer to another Bank or Building Society account, provided that such an arrangement does not constitute a direct debit transaction;
- A bank draft;
- Cash (only in exceptional cases and where sufficient staff safety and financial security measures can, in the opinion of the Member Firm, be taken for the holding of such money prior to Payment; the handing over of such money; and where sufficient Records of receipt are obtained upon collection of the money).

6.5 Signatories to Payments from a Client Account

To avoid undue delays or inconvenience to Clients or others entitled to receive Payments, during any absence from the business, the Member Firm must make adequate provision for designated personnel to be able to authorise and/or make appropriate Payments.

A Member Firm has a duty of care to ensure that appropriate controls exist around the ability of any individual(s) to make Payments from a Client Account, including making online Payments, and must maintain an up-to-date and accurate record listing. As a minimum this should include:

- The full names of such persons;
- Any limits or restrictions governing the amounts for which that individual is authorised either exclusively or jointly with others; and
- An example or specimen signature of each person.
- The original of such a list or schedule should be lodged with the relevant Bank or Building Society used by the Member Firm and a copy retained within the Records of the Member Firm.

6.6 Payments into a Client Account

Payment of money into a Client Account is restricted to the following:

- The minimum sum required to open or maintain the Client Account;
- Client Money;
- An amount required to be paid by a Member Firm to restore in whole or part any money paid out, or withdrawn, in contravention of these Rules;
- A cheque or bank draft that includes Client Money as well as other money.

6.7 Timing of Banking

A Member Firm must bank all receipts of Client Money into an appropriate Client Account within a maximum of two working days from the day on which it was received.

All Payments out of a Client Account should be made promptly, and within not more than twenty-eight days of becoming due.

6.8 Reconciliation

Every Member Firm shall:

- At least once every two calendar months (and within no later than ten weeks of a previous Reconciliation), reconcile the balance on their Client's cash book(s) with the balance in their Client Account(s) using the Bank/Building Society statement(s); and with the total of each Client's balance in the Clients' Ledger;
- Ensure that such documents necessary to support the Reconciliation so produced have been kept safe, complete and readily available in the cash book or other appropriate place;
- All such Reconciliations should be checked and signed by a Principal, Partner or Director of the company, or by such person formally appointed, who shall not be the person responsible for the preparation of such Reconciliation;
- Reconciliations must be stored so as to be readily available at audit or inspection.

6.9 Client Money from Member Firms' properties

A Member Firm must not conduct personal or office transactions through a Client Account, save that it shall be permissible for the Member Firm to manage and collect rent on a property or properties belonging to any Principal, Partner, or Director of the Member Firm, so long as the number of properties involved are *de minimis* (no more than 5%), declared to and so recorded by the Accountant while completing the Annual Audit. It is permissible to hold tenants' deposit monies relating to such properties in a Client Account.

6.10 Old or dormant Client balances

- If a Member Firm has credit balances in its Client Account(s) that represent Client Money previously held for Clients who cannot now be traced, or which cannot now be attributed to or identified as belonging to a particular Client, the Member Firm is not entitled to take that Client Money;
- Such old/dormant Client Money should be transferred to and recorded in a suitably designated Client Suspense Account Ledger. Any such account remains within the scope of these Rules and still subject to regular Reconciliation at the Annual Audit;
- A Member Firm must take reasonable steps to identify to whom the Client Money belongs through their accounting and other Records and this should include carrying out an extensive investigation; and in the case of an old or ex-Client for whom the Member Firm no longer acts, reasonable steps must be taken to trace the Client;
- Money Shield may allow the old or dormant Client Money to be donated by the Member Firm to a suitable registered charity; subject to:
 - An undertaking that any valid proven claim subsequently received by the Member Firm from the beneficial or legal owner would immediately be met by the Member Firm from its own resources; and
 - A written explanation to Money Shield of:
 - The actions taken by the Member Firm;
 - The current situation and status of any investigations;
 - Disclosure of the amount involved; and
 - Sufficient time (at least six years) having elapsed from last contact from the

Client or activity on the relevant Clients' Ledger.

6.11 Client Suspense Account

- Where any merger, acquisition, amalgamation or similar takes place between a Member Firm and any other Member Firm or company, any such Client Money held in the relevant Client Suspense Account should be transferred to the new company or Member Firm.
- The Member Firm passing the funds must receive a written undertaking that such Client Money will, subject to a valid future claim, be refunded to the beneficial or legal owner. A Member Firm is advised to include in any contract of sale (or similar) an indemnity from the purchaser that any Client Money previously transferred as a charitable donation, will be a liability of the purchaser.

7 CLIENT ACCOUNT SERVICE PROVIDER (CASP)

7.1 Member Firms who use a CASP

Are subject to the following conditions:

- The CASP must be a Member Firm of either Money Shield or PropertyMark;
- The CASP must have £2,000,000 Professional Indemnity Insurance;
- CASPs must report on all Client Money not just Client Money held on behalf of Money Shield or PropertyMark Member Firms;
- CASPs must allow Money Shield to undertake compliance checks, in accordance with Rule 11, which cover all Client Money, not just Client Money held on behalf of Money Shield or PropertyMark Member Firms;
- Member Firms using a CASP must pay the Money Shield membership fee but they do not need to provide an Accountant's Report. However, if the CASP does not provide the Accountants Report then the Member Firm using the CASP will have their membership terminated (as will the CASP if they are a Member Firm);
- If the CASP is terminated from Money Shield membership, Member Firms using the CASP will also be terminated;
- CASPs cannot use a HealthCheck.

8 KEEPING RECORDS

Each Member Firm must keep properly detailed accounting Records, using a bookkeeping system that is adequately designed and operated.

8.1 Records must demonstrate

- All Client Money received, held or paid out by the Member Firm;
- The amounts, dates, names, property addresses, reference numbers and other relevant details to identify individual transactions;
- Any other money dealt with through a Client Account, attributable to individual Clients;
- An individual Client's balance of Client Money held, and a balance of all Client Money held.

8.2 Documentation

Money, Reconciliation documents and a list of all the Bank and Building Society account(s) in which the money is held and must include counterfoils or duplicate copies of all receipts issued in respect of Client Money received, which shall contain the particulars required to be shown in the accounts;

- The Records kept for the purpose of complying with these Rules must be preserved for six years from the end of the accounting period to which they relate, or from when the account shows a nil balance following a cessation of the contractual relationship between the parties, whichever is the later. Money Shield recommends that a Member Firm consult with their Accountant before disposing of, or destroying, any historic accounting Records;
- Where a computerised bookkeeping system is in operation, this must be capable of producing printed information to conform to these Rules, which therefore is or can be preserved in a permanent format.

9 ACCOUNTANT'S REPORT

Member Firms who handle Client Money are required to annually submit either: The Money Shield Accountant's Report or undertake a HealthCheck, which is subject to meeting the qualifying criteria (see Rule 10).

The latest version of the Money Shield Accountant's Report can be obtained from the following link: www.money-shield.co.uk click 'Join Now'.

It is the duty of each Member Firm to provide to their Accountant at appropriate times an up-to-date copy of these Rules, together with the relevant Accountant's Report, which must be submitted to Money Shield in due course. This does not constitute a contract between the Accountants of the Member Firm and Money Shield. A Member Firm must take appropriate steps to include in its letter of engagement/contract with its Accountant a clause that permits a copy of any such report to be provided to Money Shield in order to comply with these Rules.

9.1 Qualifications of Accountants

Member Firm (or CASP) or to any member of the staff employed by the Member Firm in the preparation of the Client accounting Records.
